2011 Planning and Short Talk on Climate
Change

Wednesday, December 8
6:30 - 8:30 PM
Roslindale Community Center

- Help GreeningRozzie set a course for doing more on green spaces, food, energy, water, waste reduction, transportation and healthy homes and gardens.
- Learn what people are doing about climate change.

Short talk details:

Cancun to Boston: Global Climate Action, Local Climate Action

Learn about the latest efforts to forge international agreement on how to deal with climate change. Find out what the city of Boston, area nonprofits and neighborhood groups like GreeningRozzie are doing about climate change right here.

Journalist and GreeningRozzie member Eric Smalley will summarize the climate change challenge, give an overview of international efforts to address it, and report on the December 1st roundtable on community climate action in Boston.
